

2008 EDUCATIONAL MINI-GRANT PROGRAMS TOTAL GRANTS \$28,893

We are pleased to offer direct support in the form of Mini-Grants for teachers whose programs are designed to inspire students thereby enhancing the process of classroom learning. These Mini-Grants are meant to defray the cost of materials and resources not normally available through regular channels of school funding.

- *Mini-Grants of up to \$500 were awarded to 75 Barnstable County teachers in 37 local schools ranging from elementary to high school levels.*
- *Mini-Grant recipients were those who best demonstrated imagination and creative thinking for the benefit of the classroom as a whole.*
