

# Simplify your payroll by offering direct deposit for your employees.

At Cape Cod 5, we are committed to helping you find ways to streamline and improve your business finance processes.

## Why Direct Deposit?

### It benefits your business

- Cost savings - it is much less expensive to process electronic transactions as opposed to paper checks
- Greater control over your payroll and payroll expenses
- Reduced risk of check fraud and lost or stolen checks
- Timely and more efficient payment
- Simplify your accounting with immediate payments into employee accounts - no delays in check cashing

### It benefits your employees

- Convenient process saves time and trips to the bank
- Immediate availability of funds
- Timely depositing of checks, even when the employee is away
- Safe and secure
- Simple and easy to set up
- Allows for funds to be deposited into multiple accounts at once
