At Cape Cod 5, we are committed to the security of your accounts with us and have implemented a multi-layer authentication process to prevent unwanted access.

Before you log in, please go to the Apple App Store<sup>®</sup> or the Google Play<sup>™</sup> store on your mobile device and search for "VIP Access." Downloading the VIP Access app will give you access to a secure token that you will use each time you log into Cape Cod 5's Treasury Management Online Banking to provide a secondary layer of security.

Please note: You should have received a link via email to set up your username and password. If you have not received the link, please check your spam folder or contact our Treasury Management staff at 508-247-1699 or treasurymanagement@capecodfive.com.

Follow the steps below to download the VIP Access app and log in to your Treasury Online Banking account.

If you have an iPhone, access the Apple App Store®

Download the "VIP Access for iPhone" app as seen in the following image:
